Welcome Baby!

**Do you have a newborn in your family?
 If so, your community would like to celebrate with you!**

Welcome Baby! is an initiative of the LRCS' Family Resource Center (FRC) of Central New Hampshire.

If you are a family with a newborn under the age of three months living in **Belknap County** and would like to receive a one-time visit, please fill out this form. Our *Welcome Baby!* staff will arrange a visit to your home and present you with a beautiful tote filled with gifts, valuable parenting information, home safety items, books to promote literacy and a community resource information.

Families can also choose to visit the Family Resource Center to receive their totes. We also offer doorstep drop off. Zoom calls can take the place of in person visits.

Questions or know of another family who might benefit from *Welcome Baby!*?
