

November 2024

Dear Community Partner,

As Lakes Region Community Services (LRCS) proudly celebrates 50 years of service to our community in 2025, we are reminded of the impact we've made together. Since 1975, we have provided support to individuals with developmental disabilities and acquired brain disorders and their families, empowering them to lead fulfilling, independent lives.

Over these five decades, as the needs in our community grew, so did LRCS. We expanded our programs to meet these challenges head-on. We introduced HomeAssist, allowing seniors to age gracefully and independently in their homes, surrounded by dignity and care. We also established the LRCS Family Resource Center, ensuring children and families in our community have access to the help and resources they need to grow, succeed, and thrive. These milestones are a testament to our commitment to serving the Lakes Region community through every phase of life.

As we reflect on this incredible milestone, we can't help but feel proud of all that we've accomplished together. The families we've supported, the programs we've built, and the connections we've made represent the true heart of our work. From early childhood development to senior care and the many other programs in between, LRCS has been there, every step of the way. Because of you, we've been able to build a legacy of care, empowerment, and inclusivity.

While we celebrate 50 years of service, we are also looking ahead to the future. The reality is that the challenges we face today are greater than ever before. The demand for our services continues to grow, and resources are stretched thin. To continue fulfilling our mission, we need your support now more than ever.

This is a critical moment for LRCS. Without additional funding, we face difficult decisions that could affect the individuals and families who depend on us. We cannot let that happen. We've come too far, and the need has never been greater.

As we are entering our next 50 years, we are asking you to consider making an even bigger impact. We need to raise double the funds to ensure that no one is left behind. We are asking you to consider increasing your typical

contribution this year in support of our Annual Appeal. By doing so, you are helping to guarantee that LRCS will continue to serve our community for another 50 years.

Thank you for your commitment, compassion, and partnership. We are so grateful to have you by our side as we look forward to the next 50 years of impact.

With gratitude,

Rebecca L. Bryant,
President and CEO
